

## TIRE AGREEMENT INSTRUCTIONS

The tire agreements are the result of non-competitive negotiations and are optional use agreements. This agreement is only valid for "over the counter" sales of tires and some related dealer services.

**Orders must be placed with participating dealers identified by the Contractor. Single purchases are limited to the single quote threshold of \$5000. All payments must be made directly to the selling dealer with the buyer's purchase card at the point of sale; however, localities may make payment with a purchase card or any other means which is mutually agreeable between the locality and selling dealer. The Wright Express and Voyager Cards are not accepted. These purchases must not be processed in eVA.**

Very large tires priced over \$5000 must be purchased using normal competitive procedures.

Procedure to purchase a tire pursuant to these tire agreements:

- a. Identify the tire needed.
- b. Review the manufacturer's price list to determine the price of the tire.
- c. Use the manufacturer's dealer list to locate a dealer.
- d. Purchase the tire as an "over the counter" sale using a purchase card or as directed above for localities.
- e. Michelin tire dealers are listed as either "retail" or "commercial". Commercial dealers focus their sales on larger tires such as truck tires and retail dealers focus their sales on smaller vehicles tires such as passenger cars.

Delivery to your location is not part of this Purchase Agreement. If the tire is not in stock, you may have the dealer order it or go to another dealer on the dealer list.

L. **MANDATORY ACCEPTANCE OF SMALL PURCHASE CHARGE CARD:**

Purchasing charge cards offer State agencies and Institutions the opportunity to streamline their procedures for procuring and paying for small dollar goods and services. Dealers providing goods and services under this purchasing agreement should note that acceptance of payment by purchase card is mandatory (unless waived by DPS) within 90 days of contract award.

Vendors must establish their card account at Level 2, which is mandatory or Level 3, which is optional. Information on the various levels for the Bank of America (BOA) Visa Purchasing Card is indicated below.

Charge Card Levels:

The amount of data passed for each charge card payment depends on the level at which the charge card is established. The levels are delineated below and the preferred level by the Commonwealth is level 2.

Level 1 vendors provide basic credit card purchase information, including but not limited to the data listed below. By passing "Basic Data", the vendor has a standard interchange cost.

- Supplier Name
- Merchant Category Code
- Date
- Total Purchase Amount

Level 2 vendors provide additional information to the Level 1 elements, including, but not limited to the data listed below. By passing level 2 detail, the vendor will receive lower interchange costs. **Level 2 is mandatory for any vendors who do business with the Commonwealth of Virginia and accept Bank of America (BOA) Visa Purchasing Card.**

- Customer Code (PCO Number from eVA)
- Vendor Tax ID

Level 3 vendors provide line item detail, in addition to the Level 1 and Level 2 elements, including, but not limited to the data listed below. By passing Level 3 (which is optional) data which is considered Superior data, the vendor will receive the lowest interchange costs.

- Item Description

- Item Unit of Measure
- Product Code

- Freight Amount
- Extended line Item Amount

M. **FINANCIAL WARRANTY:** Contractor shall ensure that the prices, discounts, incentives, and other financial terms (collectively, the "financial deal") applicable to purchases under this Contract is always at least as favorable to the purchaser as the financial deal that the Contractor or its affiliates make available to any public body in Virginia for the same good(s)/service(s) outside this Contract. Throughout the term of this Contract, if Contractor (or any affiliate) makes a better financial deal available to a public body in Virginia for any good(s)/service(s) available under this Contract, Contractor shall immediately notify DGS of the details and, at DGS's option, sign an amendment to this Contract, so that an equivalent financial deal for the affected good(s)/service(s) is also available as an option under this Contract. Contractor may request exemption if the better financial deal was for a spot purchase, and DGS shall grant such request if DGS in good faith finds that the spot purchase involved special circumstances affecting cost that would make it unfair to apply an equivalent financial deal outside of that spot purchase. Upon DGS's request (and annually on August 1), Contractor shall submit to DGS an affidavit certifying full compliance with this Section. The Contractor (and any affiliate) shall waive any contractual or other right that inhibits any public body in Virginia from disclosing to DGS or others the financial terms made available to the public body, and upon request from DGS, Contractor shall ensure that a signed confirmation of the waiver is provided to the public body and DGS. As used in this Section, an affiliate is any entity that controls, is controlled by, or is under common control with, the Contractor.
